A Theory Of Justice Revised

“Rawls's Theory of Justice is widely and justly regarded as this century's most important work of political philosophy. Originally published in 1971, it quickly became the subject of extensive commentary and criticism, which led Rawls to revise some of the arguments he had originally put forward in this work...This edition will certainly become the definitive one; all scholars will use it, and it will be an essential text for any academic library.

A Theory of Justice: Rawls, John: 8601404375286: Amazon ...

Since it appeared in 1971, John Rawls 's A Theory of Justice has become a classic. The author has now revised the original edition to clear up a number of difficulties he and others have found in the original book. Rawls aims to express an essential part of the common core of the democratic tradition—justice as fairness—and to provide an alternative to utilitarianism, which had dominated the Anglo-Saxon tradition of political thought since the nineteenth century.

A Theory of Justice — John Rawls | Harvard University Press

"A Theory of Justice" is John Rawl's interpretation of the social contract theory. In determining "justice" Rawls uses the social contract theory, utilitarianism, theological explanations, and

A Theory of Justice: Revised Edition - Blogs@Baruch

A Theory of Justice is a 1971 work of political philosophy and ethics by the philosopher John Rawls, in which the author attempts to provide a moral theory alternative to utilitarianism and that addresses the problem of distributive justice (the socially just distribution of goods in a society). The theory uses an updated form of Kantian philosophy and a variant form of conventional social contract theory.

A Theory of Justice - Wikipedia

the original. This revised edition incorporates these improvements. Before commenting on the more important revisions and why they were made, I will comment on the conception of justice presented in A Theory of Justice, a conception I call "justice as fairness." The central

systems of thought. A theory however elegant and economical must be rejected or revised if it is untrue; likewise laws and institutions no matter how efficient and well-arranged must be reformed or abolished if they are unjust.

Revised Edition - American University

This volume is a widely-read book of political philosophy and ethics. Arguing for a principled reconciliation of liberty and equality, it attempts to solve the problem of distributive justice (this concerns what is considered to be socially just with respect to the allocation of goods in a society).

A Theory of Justice: Revised Edition: Rawls, John ...

In Part 1, Rawls establishes the conceptual ground against which he will build his theory of justice as fairness and provides an overview of the main lines of this theory. Because "justice is the first virtue of social institutions, as truth is of systems of thought," unjust institutions and laws must be reformed.

A Theory of Justice Part 1 Chapter 1 Summary | Course Hero

This innovative book is the first to couch the debate about animals in the language of justice, and the first to develop both ideal and nonideal theories of justice for animals. It rejects the abolitionist animal rights position in favor of a revised version of animal rights centering on sentience.
