Assessing the Achievement of General Education Objectives:

But achievement tests are not just important during the years of K-12 education and college. They can be used to assess skills when people are trying to learn a new sport. If you were learning dance, martial arts, or some other specialized athletic skill, an achievement test can be important for determining your current level of ability and ...

The Purpose of Achievement Tests - Verywell Mind

Case records and interviews concerning educational achievements of 1087 foster care alumni are presented. Youth were served by a voluntary agency in 23 communities across the USA between 1966 and 1998. Because the alumni were older than most foster care follow-up studies, a more extensive picture of educational achievement was possible.
