## **Grammar - Basic English Grammar lessons**

English studies (usually called simply English) is an academic discipline taught in primary, secondary, and post-secondary education in English-speaking countries; it is not to be confused with English taught as a foreign language, which is a distinct discipline. It involves the study and exploration of texts created in English literature.

## **English studies - Wikipedia**

The course is multifunctional and can be used in a variety of ways (e.g., as a supplement to an already existing course; as a tool for self-study activities and independent revisions of course materials; as a general study aid in the context of English studies at large).
