### Business organization and management ... - amazon.com

Veteran business writer Peter F. Drucker's management book, "The Effective Executive: The Definitive Guide to Getting the Right Things Done," has a simple premise: the measure of the executive is his or her ability to "get the right things done." While this is a straightforward idea, it is harder to put into practice than you might imagine.

This year's best business books on management reflect how much the discipline has changed in the past 65 years, and how fuzzy the boundaries separating fields have become. Nine Lies About Work, by Marcus Buckingham and Ashley Goodall, the year's best management book, challenges the assumptions that underlie contemporary managerial practices, many of which date back to Drucker's day.
