Kullberg and Arrington weave together inspiration and illumination, thereby engaging both heart and mind with each daily devotion. In this collection of short, accessible readings, they explore significant ideas, people, and events from a Christian worldview.

Renew Your Sense of Wonder Refresh Your Education Learn and Grow with Christian Thought Leaders including: Dallas Willard, John Eldredge, Michael Behe, Frederica Matthews-Green, Darrell Bock, William Lane Craig, R. C. Sproul, Randy Alcorn, J. P. Moreland, Kelly Monroe Kullberg and Lael Arrington offer a daily guided tour through many of the paintings, laboratories, rock arenas, great books, mass movements, and private lives that have shaped the ways in which we think and live. This cultural devotional will inspire us to go beyond critique to creativity as we make something true, good, and beautiful of the lives and the world God has given us. Explore significant ideas, people, and events from a Christian worldview in a format that fits your busy life. A Faith and Culture Devotional will help bridge the artificial gap between learning truth and loving God—inspiring you with the wonder at the genius, power, and beauty of Jesus Christ.

For those who want to love God with their hearts and minds, editors Kelly Monroe Kullberg and Lael Arrington weave together both inspiration and illumination throughout this collection of daily readings. *Faith and Culture: A Guide to a Culture Shaped by Faith* translates the ideas of today's Christian thought leaders, delivering them in accessible portions that fit into anyone's busy schedule. Each chapter interacts with one of seven recurring themes: the Bible and theology, literature, history, contemporary culture, the arts, science and math, and philosophy. Along the way, Kullberg and Arrington explore significant ideas, people, and events from a distinctly Christian worldview. Some of the readings in this book include: *Thee Secret Gospels* (the Bible and theology), *Slavery* (history), *A Response to God's Beauty* (art), *Globalization* (contemporary culture), and more. Each day spent with this illuminating guide will inspire readers to wonder at the genius, power, and beauty of Jesus.

This reference offers reliable knowledge about women's diverse faith practices throughout history and prehistory, and across cultures.  Offers nearly 300 reference articles by international scholars of religion, women, and history  Provides an overview of the religious experiences of women across time, faiths, and cultures  Devotes sections to particular religious traditions to provide information about the role of women and the feminine divine within those faiths  Presents reference information about the experiences of women within religions  Directs the user to additional resources via suggestions for further reading and an end-of-work bibliography

"How can God be a father?" a Muslim student asks. "He was never married." Whether fielding questions from Muslim students, getting lost in Hong Kong's back alleys, or surviving an earthquake in Java, long-term missionary Rosella M. Kameo has learned to expect the unexpected and see the world through different eyes. In *Light for the Journey*, she draws on her wealth of cross-cultural experiences with wit and

gentle wisdom to reflect on the truth of God's word, challenging readers to question their cultural assumptions and see their faith in a new light. This insightful resource can be used as a devotional for personal study or meditation, a guide for small-group discussion, or a sourcebook for sermon illustrations. Each of the seventy-five meditations in *Light for the Journey* includes: a relevant Scripture verse a story from the author's experience with a universal reflection three questions for study or discussion a prayer Whether you have lived in another culture or enjoy traveling the world by armchair, you will cherish these inspirational devotions that celebrate God's grace.

One hardly known but fascinating aspect of the Cold War was the use of the holy Virgin Mary as a warrior against atheist ideologies. After the Second World War, there was a remarkable rise in the West of religiously inflected rhetoric against what was characterised as "godless communism". The leaders of the Roman Catholic Church not only urged their followers to resist socialism, but along with many prominent Catholic laity and activist movements they marshaled the support of Catholics into a spiritual holy war. In this book renowned experts address a variety of grassroots and Church initiatives related to Marian politics, the hausse of Marian apparitions during the Cold War period, and the present-day revival of Marian devotional culture. By identifying and analysing the militant side of Mary in the Cold War context on a global scale for the first time, *Cold War Mary* will attract readers interested in religious history, history of the Cold War, and twentieth-century international history.

The bishops respond to common questions about popular devotional practices and their proper function in the life of the Church.

Recipient of the Frank S. and Elizabeth D. Brewer Prize of the American Society of Church History for 2007 *Faith in the Great Physician* tells the story of how participants in the evangelical divine healing movement of the late nineteenth century transformed the ways Americans coped with physical affliction and pursued bodily health. Examining the politics of sickness, health, and healing during this period, Heather D. Curtis encourages critical reflection on the theological, cultural, and social forces that come into play when one questions the purpose of suffering and the possibility of healing. Curtis finds that advocates of divine healing worked to revise a deep-seated Christian ethic that linked physical suffering with spiritual holiness. By engaging in devotional disciplines and participating in social reform efforts, proponents of faith cure embraced a model of spiritual experience that endorsed active service, rather than passive endurance, as the proper Christian response to illness and pain. Emphasizing the centrality of religious practices to the enterprise of divine healing, Curtis sheds light on the relationship among Christian faith, medical science, and the changing meanings of suffering and healing in American culture.

Tom Meyer combines ancient and modern history, research and personal experience of living with Jews and Arabs in Jerusalem over a period of four years to reveal exciting insights into the humanity, history, religion and politics of the Holy Land as we enter the 21st century. Inside you'll find- - Information to equip you with an introductory knowledge of Middle East culture and religion, with an emphasis on the religious, historical, and political features of Israel and Palestine. - Data to better recognize the culture and religion within Israel and Palestine in its specific historical and geographical context and how they compare, contrast and relate to one another. - Facts to help you understand and describe important aspects of the various tensions in the Holy Land. - The tools you'll need to acquire the ability to identify and explain popular subjects pertaining to Israel and Palestine and the Middle East at large. Tom Meyer has an MA in the Historical Geography of Israel and another MA in Middle East Culture and Religion from Jerusalem University College. He is currently working towards a PHD. His ministry *Wordsower* tells complete books of the Holy Bible word for word from memory.
