A conclusive account of the rise of airbrush art and of the equally bright and glossy 1970s culture that produced it. Inspired by surf graphics, psychedelia and the slick shine of Hollywood, an entire generation of young artists began to make every lip and palm tree glisten and every album cover shine. At the centre of the movement were the four artists featured in this volume: Charles E. White III, Peter Palombi, Dave Willardson and Peter Lloyd.

A personal account of the tattoo artist's journey from humble beginnings in 1960s California through his rise to a lucrative international brand includes coverage of such topics as his artistic endeavors in childhood, work with famous period artists and witness to the tattoo renaissance at the end of the 20th century.

Over 100 cyborgs, robots and erotic super pin-ups fill each of these popular collection by world famous airbrush illustrator, Hajime Sorayama.

Gathers posters, book and magazine illustrations, and advertisements by more than two hundred top U.S. commercial artists

This thick tome is a reference catalogue to Sorayama's rich work adding new illustrations. Printed in high-density and best possible quality his XL-Masterworks edition sparkle of extra-ordinary talent, wondrous imagination and impeccable skill.

Follow well-known airbrush artist Vince Goodeve through multiple photo sequences that explain his choice of color, sense of design and preference for tools and materials. Early chapters explain shop set-up and preparations of the metal canvas. Ten start-to-finish sequences walk the reader through Vince's airbrush work with both motorcycles and cars. Projects include simple graphics as well as complex and intricate designs. Accustomed to teaching, Vince uses a style that is easy to follow and understand. His enthusiasm for the airbrush comes through, making the text easy to follow. Vince Goodeve has something to say to all airbrush artists, whether beginner or advanced.
