The Psalms - Answering God

That is a perfect description of Eugene Peterson's Answering God. One can tell that behind this devotional work is a scholar, knowledgeable in Hebrew, in ancient thought, and in Psalm study. He also takes into account, as Brueggemann said, the realities of life that inevitably effect one's prayer life--and, in turn, one's relationship to God.

sessions, an overview of the book, helpful background on the topic, opening and closing worship activities, discussion questions and journaling exercises.

A devotional prayer book focusing on one year with the Psalms, the most sensitive and honest words written about daily stress and daily blessings.

What do you do when you wake up and feel like you're not enough for your life? Or when you look out the kitchen window as dusk falls and wonder how do you live when life keeps breaking your heart? As Ann Voskamp writes, "great grief isn't meant to fit inside your body. It's why your heart breaks." And each of us holds enough brokenness to overflow—to be given as the greatest story of our lives. In sixty vulnerably soulful stories, *The Way of Abundance* moves from self-weary brokenness to Christ-focused givenness. Drawing from the critically acclaimed, New York Times bestseller *The Broken Way* and Ann's online essays, this devotional dares us to embrace brokenness as a gift that moves us to givenness as a way to draw closer to the heart of God. Christ Himself broke like bread, giving Himself to us so we might have a lifelong communion with Him. Could it be that our brokenness is also a gift to the world? This gentle but exquisitely profound book does nothing less than take you on an intimate journey of the soul. As Ann writes, "The wound in His side proves that Jesus is always on the side of the suffering, the wounded, the busted, the broken." Discover how surrendering in unexpected ways is the first step toward receiving what you long for. Discover the good news that your beauty is not in your strength but in your fragility. Discover why your healing shines radiant through your wounds—and how only in brokenness will you ever be whole—and find the way to the abundance you were meant for.

The psalms often stretch and perplex readers as they teach, but they also open a divine window on prayer. This collection features meditations on more than 75 psalms and offers brief thoughts and background as well as suggested ways to use the psalms in prayer.

A fresh, in-depth study of the poetry of Psalms, highlighting the character and actions of God in every psalm. Enticing reading and quality resource material.

In this twelve-session LifeGuide® Bible Study on Psalms teaches you how to relate to God as you pray your doubt, fears and anger. They show you how to respond to God in praise. Here you find the best place to explore who you are and what God means to you.

Merton shows us how to draw out the richness of worship from the psalter and to use it to achieve "the peace that comes from submission to God's will and from perfect confidence in him".....Catholic Review Service

Eugene H Peterson

Widely regarded as the modern C. S. Lewis, N. T. Wright, one of the world's most trusted and popular Bible scholars and the bestselling author of *Simply Christian* and *Surprised by Hope*, presents a manifesto urging Christians to live and pray the Bible's Psalms in *The Case for the Psalms*. Wright seeks to reclaim the power of the Psalms, which were once at the core of prayer life. He argues that, by praying and living the Psalms, we enter into a worldview, a way of communing with God and knowing him more intimately, and receive a map by which we understand the contours and direction of our lives. For this reason, all Christians need to read, pray, sing, and live the Psalms. By providing the historical, literary, and spiritual contexts for reading these hymns from ancient Israel's songbook, *The Case for the Psalms* provides the tools for incorporating these divine poems into our sacred practices and into our spirituality itself.

This book encourages reading, reflecting upon, and then letting the words of the Psalms direct our praying. A Psalm reading along with a suggested prayer (by the author) is offered from Psalms 1-30.
