From the first model, the 1923 R32 that launched BMW's motorcycle dynasty, to the latest (and fastest) superbike, the S1000RR, this book captures nearly a century of motorcycling excellence in a combination of historic and contemporary photos. Technical specs are provided for each model. This comprehensive review covers all of BMW's bike families: The side-valve machines from the early years The early overhead-valve performance bikes The modern Airheads and Oilheads The four-cylinder and six-cylinder touring bikes The early pushrod singles The modern overhead-cam singles The latest parallel twins, and inline-four cylinder sport bikes Among them, you'll find all the classic bikes—pre-World War II BMWs like the R5 that defined performance in that era; the military R12 that carried the Wehrmacht as it blitzkrieged its way across Europe; the Earles-forked R69S that offered the perfect platform for mounting a Steib sidecar; the R90S café racer; the K1 “flying brick”; and the GS (Gelände Sport) series that launched a dual-sport revolution right up to today's world-class S100RR and retro-inspired R nine T. Like the other titles in Motorbooks' Complete Book series, this guide to BMW's motorcycle output offers the most complete reference to the subject available.

[...] it didn ' t matter, because one word, " sure " in the context of motorcycle ownership, gave Pete permission to buy one. All he had to do now was earn the money. [...] When Ms. Strickland answered the door she looked at the stoop and noticed that it had been shoveled. Since they were both holding shovels, the first thing she said in a rhetorical tone was " Did you guys do that? Thank you! " Before they could get a word out, she continued with " I guess you are here to shovel my drive! Or did you do that too and now you want your money? " Without missing a beat, Mel replied, " Yup! Twenty bucks! " In a scolding almost frantic tone she replied with, " Well I ' m not paying. I have the lawn service under contract. Not very smart business boys. You can ' t just ask people to pay for a service they didn ' t request! " Pete just stood there in shock when Mel said, " OK, we ' ll put it back. " She paused for a moment with a look of horror on her face until she realized Mel was joking and started laughing. She said " I ' m sorry boys, but I ' m already committed. " Mel replied, " That ' s OK, we understand. " As they were walking toward the next house, they heard Ms. Strickland ' s door open and she started yelling, " Boys!? Boys!? Wait! " Mel and Pete exchanged glances wondering what now? " Come back! I changed my mind! You can shovel my drive! " Pete jokingly said to Mel, " It looks like we ' re both gonna make \$20 on this drive since our price just doubled! "
