Cold Gather begins as notorious, self-destructive glassblower Neil Bishop is diagnosed with a malignant, inoperable tumor. Told he has less than six months to live, he turns to his old friend, Jack Scanlon, to organize a Pre-Wake Party in their hometown to say good-bye to his friends. At the party, Jack gets his first real look at Neil's live-in lover of four years, Marla Stone. Neil has often vividly described Marla's fiendish temper and consuming libido. Jack is instantly pole-axed by her poise, her smoky beauty and her sensuality, generating this inebriated exchange at

the end of the day;"I turned to my dear friend, this man with whom I had howled at the moon and raised so much hell across the years and said, 'Of course you realize that, as soon as you're cold, I'm coming after Marla.'He squeezed my shoulder, smiled broadly and said, 'You should do that. She'd be good for you.'He had never been more wrong, but sometimes we hear only what we want. I could not ignore an imprimatur like this."Neil is dead within three months of the party.It had been rumored over many years, (although no one had seen them), that Neil had finally completed his masterwork; seven large works of molded glass he called "The Deadly Sins." In 1994, he had given the first piece, "Lust", to Jack for safekeeping. The existence and whereabouts of the other six pieces were unknown until Jack's first trip to visit Marla in California. As an intensely passionate relationship unfolds between Marla and Jack, she finally takes him to see five mind-blowing pieces; Envy, Gluttony, Anger, Pride and Sloth-- bequeathed to her by Neil.Beautifully written, Tom Buechler's muscular first novel revolves around the tempestuous, often explosive, relationship between Jack and Marla as they fall in and out of love during their search for the missing Seventh Sin--Greed.In Cold Gather, Buechler showcases his trademark earthy dialogue and his unique gift for creating offbeat characters. He has crafted a robust story that is smart, bold and darkly funny with a satisfyingly twisted finale.
