Carroll Shelby needs no introduction to automotive and racing enthusiasts throughout the world. From successful and celebrated Sports Illustrated race car driver of the year, to 24 Hours of LeMans winner, to the developer of the AC Cobra, to the Shelby nameplate on some of the most desirable Mustangs ever built, to philanthropist with the Shelby Heart Foundation, he has no equal in automotive lore. Shelby passed in 2012 as this book was being created.

lifelong friendship off the track. He and Shelby collaborated on many business projects over the years, including books, marketing projects, projects for the Shelby Foundation, and so on. In his later years, Shelby loved the books about his cars and similar topics, but his eyesight was failing to the point where he had difficulty reading, and really preferred the books that were heavy with photos. It was from that realization that Shelby and Evans decided to work on one last book together. They both combed through the Shelby archives and selected Shelby's favorite images from his racing career. That is almost the entirety of this book. It is packed with photos selected by Shelby himself, and the captions are quotes from Shelby's commentary on the action in the photo, as well as his

Favorite Racing memories. Unfortunately, Carroll Shelby passed away before the book was fully completed, but Evans, following Shelby's instructions, carried this final project through to completion. Filled with images that have never been seen in print, as well as images not published since the 1950s and 1960s, this final work from Shelby is a personally curated collection by the legend himself. If you are a sports car racing fan, Ford fan, Shelby fan, or any combination of the three, this book is a perfect addition to your automotive library.

to his first meeting with Carroll Shelby. His suggestion that they should collaborate in order to create an accurate record of Shelby's life and achievements at first was rebuffed but later taken up with enthusiasm. This authorized biography is the result. Carroll Shelby: The Authorized Biography was a long time in the making, as Mills left no stone unturned in his quest to produce the complete study of Shelby's remarkable life. He carried out extensive research and conducted numerous interviews, fully capturing the narrative of Carroll Shelby within and outside of the automotive racing world: his childhood in Texas, wartime tenure with the Army Air Force, and postwar entrepreneurship; his earliest race wins in 1952 and his legendary 1959 victory at the 24 Hours of Le

Carroll Shelby, legendary driving ace, race team owner, and designer of Shelby Cobra, Daytona, and Mustang GT350 classics is revered by automotive enthusiasts, yet little has been written about the last quarter century of Carroll Shelby ' s life. During that time Chris Theodore, VP at Chrysler and Ford, developed a close personal friendship with Carroll. The Last Shelby Cobra chronicles the development of the many vehicles they worked on together (Viper, Ford GT, Shelby Cobra Concept, Shelby GR1, Shelby GT500 and others). It is an insider ' s story about how Shelby came back to the Ford family, and the intrigue behind the five-year journey to get a Shelby badge on a Ford Production Vehicle. The author provides fresh insight and new stories into Shelby ' s larger-than-life

personality, energy, interests and the many unpublished projects Carroll was involved with, up to his passing. Finally, the book describes their unfinished project, the Super Snake II Cobra, and the serendipitous circumstances that allowed to the author to acquire ' Daisy, ' the last Shelby Cobra. To his many fans, Carroll Shelby was truly ' the most interesting man in the world. '
