One of the most widely used series of methods for individual or like-instrument class instruction. Using a very well-rounded approach including scales, arpeggios, technical studies, studies for musicianship, articulation studies, solos, duets, and studies devoted to the special needs of each instrument, this series provides a fantastic wealth of material for all student musicians.

The two Workbooks, one for each 26-lesson part, are the students' chief resource and handbook for analysis of the French language and culture that they first encounter in the videos. Each workbook lesson is coordinated with the audio program and reinforces the oral comprehension using images drawn from the video program. New grammatical material is introduced in clear reference tables and immediately put to work in the oral, aural, and written exercises. The workbooks also contain additional materials for skits, dictées, and writing assignments, as well as review exercises for self-testing. Learning activities in the second edition of the workbooks have been reorganized for greater effectiveness and ease of use. A redesigned and enlarged workbook index that includes a new series of verb charts has also been provided.

Michel Thomas's approach to language learning aims to provide in a few hours a functional working knowledge of a language without books, note-taking or conscious memorizing. This CD pack provides an eight-hour course in German plus a 2-CD review course.

A handy 3-in-1 French study book: grammar, verbs and vocabulary in one volume, ideal for beginners who need a clear and easy-to-understand French reference and revision guide.

Georg Kopprasch was born sometime before 1800, pursued a career as a horn player at least until 1832, and composed two sets of horn etudes which includes this set of 60 etudes, Op. 6. Most of the etudes focus on technical problems relating to the high range of the Horn.
