Push the Limits of Your Creativity Creative Grab Bag captures the spirit of exploration and innovation—inside, you'll find inspiring work from 101 artists from around the world. Ethan Bodnar asked each artist to take on a task outside the realm of their normal work. Each task was randomly selected from a grab bag. The result is a collection of work brimming with creative energy. In this book, you'll find short biographies of the artists, examples of their typical work, their thoughts on the creative process, and images of their completed creative task. Here's a sampling of the creative grab bag tasks: Design a Building Make a Self-Portrait Make Art like a Child Design a Brand Create Visual Statistics Illustrate a Memory Illustrate Your Day Create a Collage Create a Sculpture Design a Book Cover Design an Album Cover Create a Photo Essay Photograph Strangers Design a Skateboard Design a Pair of Shoes Make a Wallpaper Pattern Design a Typeface Create an Animation Design a Character Creative Grab Bag also features tear-out cards, so you can do the creative challenges yourself. Work together or in a group, and push the limit—you'll break out of your routine and take your work into uncharted territory. PLEASE NOTE: Tear-out cards are NOT included with the ebook version of this title

As seen on Inc.com Discover your "Aha" moment--right now! What's the best way to become more creative? Just change how you think! This book challenges you to go against your default ways of thinking in order to write, design, and build something extraordinary. Featuring more than 100 challenges, exercises, and prompts, each page guides you as you push past the way you normally see the world and uncover all-new possibilities and ideas. The Creativity Challenge teaches you that you already have immense creative potential in you--you just need to tap into it. Whether you're feeling stumped or uninspired, these creativity prompts will help you ditch typical thinking patterns and finally unleash

the possibilities hidden within your mind.

The Graphic Design Exercise Book provides a series of challenging design briefs that reignite a designer's creativity while also imparting new skills. Whatever their age or experience, graphic designers like to be creatively challenged, and may also want to broaden their skill-base in order to break into new and lucrative areas of the design industry. A range of industry insiders share their specialist knowledge by way of briefs that stretch the imagination and encourage the development of new skills across a range of genres, including logos, packaging, branding, identity, promotion, publication design, music graphics, and web design. Organized much like a recipe book, each brief lists the required materials and equipment so that designers can pick and choose. Interviews and in-progress work is included, while a number of fully realized projects illustrate the possible outcomes. The Graphic Design Exercise Book is a must-have addition to

"A marvelous invitation to anyone with an interest in creativity, invention, and design." (Michael Bierur) This colorful, handy card deck presents fifty-two exercises and activities to jump-start your creative juices, free you from creative block, start a new project, or finish an existing one. Each exercise offers insight into the innumerable small decisions involved in design: How to establish a pattern, continue a series, how to say it without words, how to name a project, what fits, and what doesn't? These cards benefit established practicing designers or creatives in any field with activities that are sometimes playful, sometimes challenging, but always enlightening. Each activity is estimated to take 15 minutes.

The Graphic Design Reference & Specification Book should always be next to a designer's computer. Completely practical with only the most needed information, this valuable book provides designers with all the little details that can make or break a design, such as how much space to leave in the gutter when designing barrel folds, how to layout a template for a box, and the ratios of each part, as well as metric conversion charts, standard envelope sizes in the USA, Europe, Canada and Asia, and much more. This hardworking handbook is compact and accessible and is a must-have for any graphic designer.

Universal Methods of Design provides a thorough and critical presentation of 100 research methods, synthesis/analysis techniques, and research deliverables for human centered design, delivered in a concise and accessible format perfect for designers, educators, and students. Whether research is already an integral part of a practice or curriculum, or whether it has been unfortunately avoided due to perceived limitations of time, knowledge, or resources, Universal Methods of Design will serve as an

invaluable compendium of methods that can be easily referenced and utilized by cross-disciplinary teams in nearly any design project. Universal Methods of Design : dismantles the myth that user research methods are complicated, expensive, and time-consuming ; creates a shared meaning for cross-disciplinary design teams ; illustrates methods with compelling visualizations and case studies ; characterizes each method at a glance ; indicates when methods are best employed to help prioritize appropriate design research strategies. Universal Methods of Design distills each method down to its most powerful essence, in a format that will help design teams select and implement the most credible research methods best suited to their design culture within the constraints of their projects.
