Each week, the writers of The A.V. Club issue a slightly slanted pop-culture list filled with challenging opinions (Is David Bowie's "Young Americans" nearly ruined by saxophone?) and fascinating facts. Exploring twenty-four great films too painful to watch twice, fourteen tragic movie-masturbation scenes, eighteen songs about crappy cities, and much more, Inventory combines a massive helping of new lists created especially for the book with a few favorites first seen at AVClub.com and in the pages of The A.V. Club 's sister publication, The Onion. But wait! There's more: John Hodgman offers a set of minutely detailed (and probably fictional) character actors. Patton Oswalt waxes ecstatic about the "quiet film revolutions" that changed cinema in small but exciting ways. Amy Sedaris lists fifty

things that make her laugh. "Weird Al" Yankovic examines  
the noises of Mad magazine's Don Martin. Plus lists from  
Paul Thomas Anderson, Robert Ben Garant, Tom Lennon,  
Andrew W.K., Tim and Eric, Daniel Handler, and Zach  
Galifianakis—and an epic foreword from essayist Chuck  
Klosterman.

A fascinating look into one of the most beloved sitcoms of  
all time, Cheers: A Cultural History examines the early  
struggles of the show to find an audience to its multiple  
Emmy wins. This book also takes a look at the shows  
memorable cast of characters, from Sam and Diane to Carla,

After America's most pompous barhound left the Cheer's gang in Boston, he returned to Seattle and found himself surrounded by an equally colorful cast of friends and family alike. For eleven seasons, radio psychiatrist Frasier Crane contended with his blue-collar ex-cop father Martin, English caretaker Daphne, coworker Roz, and his younger brother Niles. Looking at the world through Frasier's aristocratic, witty lens, the show explored themes of love, loss, friendship, and what it might mean to live a full life. Both fans and critics loved Frasier, and the show's 37 primetime Emmy wins are the most ever for a comedy series. In *Frasier: A Cultural History*, Joseph J. Darowski and Kate Darowski

Offer an engaging analysis of the long-running, award-winning show, offering insights into both the onscreen stories as well as the efforts behind the scenes to shape this modern classic. This volume examines the series as a whole, but also focuses on the show ' s key characters, including Eddie, the canine. Close looks at set design, class issues, and gender roles are also provided, along with opinionated reviews of all 264 episodes, highlighting the peaks and dips in quality across more than a decade of television. Despite the show ' s focus on an elitist intellectual—and his equally snooty brother—Frasier often embraced farce on a level previously unseen in American sitcoms, a mix of comedic elements that endeared it to viewers around the world. Frasier: A Cultural History will appeal to the show ' s many

In 2007, Nathan Rabin set out to provide a revisionist look at the history of cinematic failure on a weekly basis. What began as a solitary ramble through the nooks and crannies of pop culture evolved into a way of life. My Year Of Flops collects dozens of the best-loved entries from the A.V. Club column along with bonus interviews and fifteen brand-new entries covering everything from notorious flops like The Cable Guy and Last Action Hero to bizarre obscurities like Glory Road, Johnny Cash ' s poignantly homemade tribute to Jesus. Driven by a unique combination of sympathy and Schadenfreude, My Year Of Flops is an unforgettable tribute

The narrator of Hogg is a Huck Finn–like youngster caught in society ' s most sinister seams—but unlike Huck, he passes no moral judgments on the violence he takes part in . . . Hogg is the story of a man—a depraved trucker named Franklin Hargus, whom the people he works for call Hogg—and of the nameless boy who tells the story of three days of unspeakable sexual violence and devastation, which, together, they initiate in a small seaside American city in the middle of the last century. Hogg is a towering brute who makes his living as a rapist for hire. By the end of a series of vicious attacks, kidnappings, and mass murders, the reader will wonder who is more corrupt: the man or the

boy. Samuel R. Delany completed his first draft of Hogg within a day, if not within hours, of the 1969 Stonewall Riots in New York City and revised it over the next four years, though it was not released until 1995.

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney ' s films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious

reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

Prepare yourself for a journey through the world of Patton Oswalt, one of the most creative, insightful, and hysterical

voices on the entertainment scene today. Widely known for his roles in the films *Big Fan* and *Ratatouille*, as well as the television hit *The King of Queens*, Patton Oswalt—a staple of Comedy Central—has been amusing audiences for decades. Now, with *Zombie Spaceship Wasteland*, he offers a fascinating look into his most unusual, and lovable, mindscape. Oswalt combines memoir with uproarious humor, from snow forts to *Dungeons & Dragons* to gifts from Grandma that had to be explained. He remembers his teen summers spent working in a movie Cineplex and his early years doing stand-up. Readers are also treated to several graphic elements, including a vampire tale for the rest of us and some greeting cards with a special touch. Then there ' s the book ' s centerpiece, which posits that

before all young creative minds have anything to write about, they will home in on one of three story lines: zombies, spaceships, or wastelands. Oswalt chose wastelands, and ever since he has been mining our society ' s wasteland for perversion and excess, pop culture and fatty foods, indie rock and single-malt scotch. *Zombie Spaceship Wasteland* is an inventive account of the evolution of Patton Oswalt ' s wildly insightful worldview, sure to indulge his legion of fans and lure many new admirers to his very entertaining " wasteland. "
