Legal Writing in Plain English (in 10 parts) \$1,999 for all ten parts; \$249 for each part. Bryan A. Garner teaches all 50 sections of his classic text over 10 hourlong sessions. In each session, you ’ ll work through exercises designed to sharpen your analytical and writing skills.

~~Legal Writing in Plain English—LawProse~~

You achieve plain English when you use the simplest, most straightforward way of expressing an idea. You can still choose interesting words. But you ’ ll avoid fancy ones that have everyday replacements meaning precisely the same thing. Bryan Garner, from Legal Writing in Plain English, 2001, pp xiv.

Offers people in the legal profession insight into the writing process and describes how they can create legal documents with organized ideas and refined prose.

Admirably clear, concise, down-to-earth, and powerful—all too often, legal writing embodies none of these qualities. Its reputation for obscurity and needless legalese is widespread. Since 2001 Bryan A. Garner ' s Legal Writing in Plain English has helped address this problem by providing lawyers, judges, paralegals, law students, and legal scholars with sound advice and practical tools for improving their written work. Now the leading guide to clear writing in the field, this indispensable volume encourages legal writers to challenge conventions and offers valuable insights into the writing process that will appeal to other professionals: how to organize ideas, create and refine prose, and improve editing skills. Accessible and witty, Legal Writing in Plain English draws on real-life writing samples that Garner has gathered through decades of teaching experience. Trenchant advice covers all types of legal materials, from analytical and persuasive writing to legal drafting, and the book ' s principles are reinforced by sets of basic, intermediate, and advanced exercises in each section. In this new edition, Garner preserves the successful structure of the original while adjusting the content to make it even more classroom-friendly. He includes case examples from the past decade and addresses the widespread use of legal documents in electronic formats. His book remains the standard guide for producing the jargon-free language that clients demand and courts reward.

Admirably clear, concise, down-to-earth, and powerful—unfortunately, these adjectives rarely describe legal writing, whether in the form of briefs, opinions, contracts, or statutes. In Legal Writing in Plain English, Bryan A. Garner provides lawyers, judges, paralegals, law students, and legal scholars sound advice and practical tools for improving their written work. The book encourages legal writers to challenge conventions and offers valuable insights into the writing process: how to organize ideas, create and refine prose, and improve editing skills. In essence, it teaches straight thinkin.

This book looks at the forces that have made traditional legal language what it is today and suggests some reasons why the law needs plain English. It also shows why most of its peculiarities are unnecessary.

The Law (in Plain English)® for Writers Second Edition Few professional writers can afford round-the-clock legal counsel. Fortunately, you can afford to have the next best thing: this down-to-earth guide to every important legal question a writer may face — without the burden of an hourly fee. You ' ll get clear advice on the day-to-day issues that can plague any writer — like getting through pages of contract legalese and dealing with agents and legal professionals. Packed with practical answers — plus a special appendix on helpful organizations and a glossary of commonly used legal and publishing terms, The Law (in Plain English) for Writers, Second Edition gives you the insight to: Understand the basic elements of all contracts with book and magazine publishers and keep your taxes low Find the right publisher — and what to know and watch out for if you ' re considering self-publishing Make the most of copyright laws and the protections they offer Understand censorship, obscenity, defamation, and libel laws Protect your right to privacy Take advantage of the business laws that pertain to writers Know when it ' s in your best interest to find a lawyer and how to go about it

Read Free Legal Writing In Plain English A Text With Exercises Bryan Garner

Good legal writing wins court cases. In its first edition, *The Winning Brief* proved that the key to writing well is understanding the judicial readership. Now, in a revised and updated version of this modern classic, Bryan A. Garner explains the art of effective writing in 100 concise, practical, and easy-to-use sections. Covering everything from the rules for planning and organizing a brief to openers that can capture a judge's attention from the first few words, these tips add up to the most compelling, orderly, and visually appealing brief that an advocate can present. In Garner's view, good writing is good thinking put to paper. "Never write a sentence that you couldn't easily speak," he warns—and demonstrates how to do just that. Beginning each tip with a set of quotable quotes from experts, he then gives masterly advice on building sound paragraphs, drafting crisp sentences, choosing the best words ("Strike pursuant to from your vocabulary."), quoting authority, citing sources, and designing a document that looks as impressive as it reads. Throughout, he shows how to edit for maximal impact, using vivid before-and-after examples that apply the basics of rhetoric to persuasive writing. Filled with examples of good and bad writing from actual briefs filed in courts of all types, *The Winning Brief* also covers the new appellate rules for preparing federal briefs. Constantly collecting material from his seminars and polling judges for their preferences, the second edition delivers the same solid guidelines with even more supporting evidence. Including for the first time sections on the ever-changing rules of acceptable legal writing, Garner's new edition keeps even the most seasoned lawyers on their toes and writing briefs that win cases. An invaluable resource for attorneys, law clerks, judges, paralegals, law students and their teachers, *The Winning Brief* has the qualities that make all of Garner's books so popular: authority, accessibility, and page after page of techniques that work. If you're writing to win a case, this book shouldn't merely be on your shelf—it should be open on your desk.

A complete guide to clean, precise and understandable legal writing So many books give you advice that turns out to be hollow: "know your audience," "structure your writing." The real strength in *Plain Language Legal Writing* is how, throughout, Stephens provides clear instructions on how to accomplish what she's recommending. Instead of just telling you to plan what you're going to write, she walks you step-by-step through the planning. Instead of telling you to consider your audience before writing, she describes in detail the sorts of audiences a legal document might have (more than you'd expect!) and how to best meet their needs. *Plain Language Legal Writing* will help you produce documents that people are willing to read and able to understand. Legal Writing in Plain English is a manual written for legal and non-legal audiences. This manual provides a wealth of material useful for understanding and navigating National Labor Relations Board (NLRB) cases and other types of cases. The *NLRB Style Guide* provides guidance in drafting and writing in the context of working with the NLRB.

This book seeks to change public and legal writing—by making the ultimate case for plain language. The book gathers a large body of evidence for two related truths: using plain language can save businesses and government agencies a ton of money, and plain language serves and satisfies readers in every possible way. The book also debunks the ten biggest myths about plain writing. And it looks back on 40 highlights in plain-language history. Professor Joseph Kimble is a leading international expert on this subject. Here is the book that sums up his important work. His message is vital to every government writer, business writer, and attorney.
