If we've kissed too many people, smoked too many cigarettes, had too much to drink, laughed too hard, offended too many people—we've done it right.

~~Alexis Bass Quotes (Author of Love and Other Theories)~~

Alexis Bass's Love And Other Theories is about this girl named Aubrey who decides along with her group of friends to date as if they were boys. By this, I mean, they give themselves permission to hook up with no strings attached and no shame later on.

Love and Other Theories is a fast-paced twist on the coming-of-age novel and the romantic comedy that Kirkus Reviews called "careful, subtle, and aching" in a starred review. Aubrey and her best friends made a pact to play by the guys' rules when it comes to dating. They're

hoping the rules will keep them from experiencing high school heartbreak—they don't realize that these rules could just as easily keep them from opening their hearts and minds. And when new boy Nathan Diggs moves to town, Aubrey starts to think that some rules are meant to be broken. With equal parts bite and romance, topped off with an irresistibly engaging voice, Alexis Bass's novel is one you won't want to miss.

Alexis Bass' *Happily and Madly* is a mature, twisty, compulsively readable YA suspense novel about a young girl who embraces a fate bound in love and mystery. Maris Brown has been told two things about her destiny: 1. She will fall happily and madly in love. 2. She could be dead before she turns eighteen. The summer before that fateful birthday, Maris is in the wealthy beach town of Cross Cove with her estranged father and his new family--and the infamous Duvals. Since the youngest member of the Duval family, Edison, is back from college and back in the arms of Maris's new stepsister, her summer looks to be a long string of lazy days on the Duval's lush beach. But Edison is hiding something. And the more Maris learns about him, the more she's given signs that she should stay as far away from him as possible. As wrong as it is, Maris is drawn to him. Around Edison, she feels truly alive and she's not willing to give that up. Even if it means a collision course with destiny. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

From Alexis Bass, the acclaimed author of *Happily and Madly*, comes this lush and sophisticated tale of scandal, greed, love, and revenge, *An Education in Ruin*. The Mahoney brothers are the golden boys of Rutherford Institute. Collins Pruitt is going to ruin them. Theo Mahoney is well-connected and popular. He's charming and beloved. But he's hiding something. Jasper Mahoney is lauded for his intellect and athleticism. He's studious and focused. But he isn't as impenetrable as he seems. Collins will earn their trust—and then she'll destroy them. But the closer she gets, the more she questions the reason she was sent to Rutherford in the first place...and if it's possible to ruin the Mahoneys without also destroying herself. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

From Alexis Bass, author of *Love and Other Theories*, comes her heartbreakingly beautiful second novel, perfect for fans of Gayle Forman and of Robyn Schneider's *The Beginning of Everything*. A year and a half ago, Amanda Tart's brother got behind the wheel drunk, killed his best friend, and paralyzed his girlfriend. Today, he's coming home from prison. Amanda's been the one living with the fallout, made worse by her brother's recent unapologetic TV interview. People think he's a monster. Still, she loves him. It's her dark secret, until she starts getting close to Henry again—whose sister is paralyzed from the accident. A year and a half ago, her brother destroyed his life. Now Amanda has to decide if she'll let his choice destroy hers.

A New York Times Notable Book of 2020 "'Saint X' is hypnotic. Schaitkin's characters...are so intelligent and distinctive it feels not just easy, but necessary, to follow them. I devoured [it] in a day." —Oyinkan Braithwaite, New York Times Book Review When you lose the person who is most essential to you, who do you become? Recommended by Entertainment Weekly, included in Good Morning America's 20 Books We're Excited for in 2020 & named as one of Vogue's Best Books to Read This Winter, Bustle's Most Anticipated Books of February 2020, and O Magazine's 14 of the Best Books to Read This February! Hailed as a "marvel of a book" and "brilliant and unflinching," Alexis Schaitkin's stunning debut, *Saint X*, is a haunting portrait of grief, obsession, and the bond between two sisters never truly given the chance to know one

File Type PDF Love And Other Theories Alexis B

another. Claire is only seven years old when her college-age sister, Alison, disappears on the last night of their family vacation at a resort on the Caribbean island of Saint X. Several days later, Alison's body is found in a remote spot on a nearby cay, and two local men—employees at the resort—are arrested. But the evidence is slim, the timeline against it, and the men are soon released. The story turns into national tabloid news, a lurid mystery that will go unsolved. For Claire and her parents, there is only the return home to broken lives. Years later, Claire is living and working in New York City when a brief but fateful encounter brings her together with Clive Richardson, one of the men originally suspected of murdering her sister. It is a moment that sets Claire on an obsessive pursuit of the truth—not only to find out what happened the night of Alison's death but also to answer the elusive question: Who exactly was her sister? At seven, Claire had been barely old enough to know her: a beautiful, changeable, provocative girl of eighteen at a turbulent moment of identity formation. As Claire doggedly shadows Clive, hoping to gain his trust, waiting for the slip that will reveal the truth, an unlikely attachment develops between them, two people whose lives were forever marked by the same tragedy. For readers of Emma Cline's *The Girls* and Lauren Groff's *Fates and Furies*, *Saint X* is a flawlessly drawn and deeply moving story that culminates in an emotionally powerful ending.

There are two sides to every story. It's friends-at-first-sight for Jessie and Annie, proving the old adage that opposites attract. Shy, anxious Jessie would give anything to have Annie's beauty and confidence. And Annie thinks Jessie has the perfect life, with her close-knit family and killer grades. They're BFFs . . . until suddenly they're not. Told through alternating points of view, *How It Ends* is the story of a friendship from first meeting to breakup, set against a tumultuous sophomore year of bullying, boys, and backstabbing. Catherine Lo makes her debut with an honest, nuanced tale about the intricacies of female friendship.

Although the Green Dolphin is a bar of ill repute, it is there that Tancred Palmieri, a thief with elegant and erudite tastes, meets Willow Azarian, an aging heroin addict. She reveals to Tancred that her very wealthy father has recently passed away, leaving each of his five children a mysterious object that provides one clue to the whereabouts of a large inheritance. Willow enlists Tancred to steal these objects from her siblings and solve the puzzle. A Japanese screen, a painting that plays music, an aquavit bottle, a framed poem, and a model of Frank Lloyd Wright's *Fallingwater*: Tancred is lured in to this beguiling quest, and even though Willow dies before he can begin, he presses on. As he tracks down the treasure, however, he must enlist the help of Alexander von Wurfel, esteemed copyist, and fend off Willow's heroin dealers, a young albino named "Nigger" Colby and his sidekick, Sigismund "Freud" Luxemburg, a club-footed psychopath, both of whom are eager to get their paws on this supposed pot of gold. And he must mislead Detective Daniel Mandelshtam, his most adored friend. Based in a reading of Robert Louis Stevenson's *Treasure Island*, *The Hidden Keys* questions what it means to be honorable and what it means to be faithful. André Alexis was born in Trinidad and grew up in Canada. His most recent novel, *Fifteen Dogs*, won the prestigious Scotiabank Giller Prize, awarded annually to the best Canadian fiction book.

I'm not Mr. Settle-Down-and-Start-a-Family. Tried it. Failed at it. Don't want it again. I like my solitary life in the mountains. I mind my business and I keep to myself. I learned the hard way that life ain't easy or fair. One minute you think you've got it all figured out and the next, you find

your wife in your bed with your own best friend. Then Quinn Prescott shows up to rent the lower level of my cabin. Sweet, innocent Quinn with her persistent attempts to get to know me and her constant questions. Those big doe eyes have a story behind them. She wants more than just a casual hookup and she deserves more. But I'm not the man who can give it to her, and the quicker she understands that, the better. I tell myself just one small touch. One lingering glance into her piercing blue eyes. One taste of her sweet, pouty lips. But it's not just once, it's an all-consuming desire to claim her, to make her mine. I can feel myself losing grip on the situation but I don't care. Then my ex shows up with a baby, claiming it's mine and reminding me why I live by the rules that I do. Only it's too late, I've let Quinn in and now she's carrying a secret of her own. No matter how many times I try to lie to myself, this thing between us isn't just lust--it's something so much more and it's something I'm about to lose forever. Coming soon, book 1 in a brand new mountain man series that will have you swooning for these brooding alphas. Each book in this series will have you clutching your heart with off-the-charts heat and all the feels. You might be tempted to slap these frustrating men a few times but you'll fall in love with each one before it's over. Each book in this series can be read as a stand-alone.

One mistake can shatter dreams and shape the future. Alexis knows this first hand. Even though her memory of that day is hazy, she has spent the last ten years trying to put it behind her. Armed with the knowledge that her career will be her only legacy, Alexis works night and day to prove that she is more than just her last name. It's not only that she doesn't have time for love. She doesn't have the heart for it. After all, there's no point in starting something you can't finish. When she meets Adam, she's drawn to him in a way even she can't deny. The film student is dark and brooding and strangely charming. He's the perfect distraction from her mundane life. And, as if fate is pushing them together, he seems to be around every corner. It's enough to almost make her entirely forget about her past and take a chance. But Adam can recall every detail that she's forgotten. What she doesn't remember, he can't forget.
