A spy story that gives the final convulsive confrontation between George Smiley and his mortal enemy, Karla.

A showcase of the use of smileys--the computer underground hieroglyphs that originally showed up in e-mail messages--provides readers with a peek at electronic e-mail culture. Original.

From the New York Times bestselling author of *Tinker, Tailor, Soldier, Spy*; *Our Kind of Traitor*; and *The Night Manager*, now a television series starring Tom Hiddleston. As the fall of Saigon looms, master spy George Smiley must outmaneuver his Soviet counterpart on a battlefield that neither can afford to lose. The mole has been eliminated, but the damage wrought has brought the British Secret Service to its knees. Given the charge of the gravely compromised Circus, George Smiley embarks on a campaign to uncover what Moscow Centre most wants to hide. When the trail goes cold at a Hong Kong gold seam, Smiley dispatches Gerald Westerby to shake the money tree. A part-time operative with cover as a philandering journalist, Westerby insinuates himself into a war-torn world where allegiances—and lives—are bought and sold. Brilliantly plotted and morally complex, *The Honourable Schoolboy* is the second installment of John le Carré's renowned Karla trilogy and a riveting portrayal of postcolonial espionage. With an introduction by the author.

Howard Marks has been diagnosed with terminal cancer. But determined not to go quietly into the night, he has decided that it is time to release *Mr Smiley*, the story of his last, and arguably his biggest ever, drug scam at the height of the '90s ecstasy frenzy. On his release from prison in 1995, Howard had made a promise to himself and family that this time he was going to go straight...But some people are just born for the life, and it is not long before Howard finds himself trying ecstasy and rubbing shoulders with some of the king-pins of the pill trade that has set the Ibiza scene ablaze. Incredibly funny, moving and scabrous, *Mr Smiley* is a free-standing follow up to *Mr Nice*, which follows a journey to the heartland of the clubbing scene and British crime. It is also a fitting last word from one of Britain's best loved bad boys.

Imagine the grandeur of these magnificent prehistoric creatures — without the fury! The nine whimsical dinosaurs are all smiles and ready to add a dino-mite look to any child's hand. Includes the Tyrannosaurus Rex, Stegosaurus, Pteradon, and others.

NATIONAL BEST SELLER • From the Pulitzer Prize-winning and best-selling author: a captivating, brilliantly imaginative story of three extraordinary animals—and a young boy—whose lives intersect in Paris in this "feel-good escape" (*The New York Times*). Paras, short for "Perestroika," is a spirited racehorse at a racetrack west of Paris. One afternoon at dusk, she finds the door of her stall open and—she's a curious filly—wanders all the way to the City of

Light. She's dazzled and often mystified by the sights, sounds, and smells around her, but she isn't afraid. Soon she meets an elegant dog, a German shorthaired pointer named Frida, who knows how to get by without attracting the attention of suspicious Parisians. Paras and Frida coexist for a time in the city's lush green spaces, nourished by Frida's strategic trips to the vegetable market. They keep company with two irrepressible ducks and an opinionated raven. But then Paras meets a human boy, Etienne, and discovers a new, otherworldly part of Paris: the ivy-walled house where the boy and his nearly-one-hundred-year-old great-grandmother live in seclusion. As the cold weather nears, the unlikeliest of friendships bloom. But how long can a runaway horse stay undiscovered in Paris? How long can a boy keep her hidden and all to himself? Jane Smiley's beguiling new novel is itself an adventure that celebrates curiosity, ingenuity, and the desire of all creatures for true love and freedom.

"Smiley, a most remarkable Golden Retriever, was born without eyes. He was rescued from a puppy mill and has become a superb therapy dog, providing therapy to people all over the world through social media and television. This is his story."--
