Tommy's Honour: The Extraordinary Story of Golf's Founding ...

The definitive account of golf's founding father and son, Old and Young Tom Morris. For the first time, the two will be portrayed as men of flesh and blood - heroic but also ambitious, loving but sometimes confused and angry. Two men from one household .with ambitions that made them devoted partners as well as ardent foes.Tommy's Honour is a compelling story of the two Tom Morrises, father and son, both supremely talented golfers but utterly different, constituting a record-breaking golfing dynasty that has never been known before or since.Father, Old Tom Morris, grew up a stone's throw away from golf's ancestral home at St Andrews, a whisky-fuelled caddie, a wonderful 19th century character who became an Open Champion three times before running the Royal & Ancient, then sole governing body of the game. His son, Young Tom, arguably an even more prodigious talent than his father, was a golfing genius, the Tiger Woods of his era, who at 17 became the youngest player, to this day, to win the Open Championship. He then went on to win it four times in a row, an unprecedented achievement. On one occasion, father and son fought it out at the last hole of the Championship before the son finally triumphed.But then came the pivotal day that would change their lives forever, the death of Young Tom's wife and unborn child. The cataclysmic events of that day eventually lead to Young Tom's tragic death, aged 24, with his father living on for another 20 years in deep remorse.So on the one hand, you have the story of one of the most influential figures in the history of golf, a pioneer in the birth of the modern game and of Scottish and Open Championship golf. And on the other hand - and this is the real appeal of this book - you have an extraordinary father-and-son story. It's for every son who ever competed with his father, and every father who has guided his son towards manhood, then found it hard to let go.

A tribute to the professional achievements of the father-and-son team of Tom and Tom Morris cites their pivotal contributions to the founding of golf in the 1800s, the differences in their athletic styles, and young Tom's tragic early death.

In April of 1972, SEAL Lieutenant Tom Norris risked his life in an unprecedented ground rescue of two American airmen who were shot down behind enemy lines in North Vietnam, a feat for which he would be awarded the Medal of Honor--an award that represents the pinnacle of heroism and courage. Just six months later, Norris was sent on a dangerous special reconnaissance mission that would take his team deep into enemy territory. On that mission, they engaged a vastly superior force. In the running gun battle that ensued, Lieutenant Norris was severely wounded; a bullet entered his left eye and exited the left side of his head. SEAL Petty Officer Mike Thornton, under heavy fire, fought his way back onto a North Vietnamese beach to rescue his officer. This was the first time Tom and Mike had been on a combat mission together. Mike's act of courage and loyalty marks the only time in modern history that the Medal of Honor has been awarded in a combat action where one recipient received the Medal for saving the life of another. By Honor Bound is the story of Tom Norris and Mike Thornton, two living American heroes who grew up very differently, entered military service and the Navy SEAL teams for vastly different reasons, and were thrown together for a single combat mission--a mission that would define their lives from that day forward.

The game of golf not only has a universal appeal, but also generates more economic activity and employment than any other sport. This book is about how one man, Tom Morris of St. Andrews, presided over the greatest period in the development of golf. Born in a humble weaver's cottage in 1821, Morris largely made golf what it is today. From Morris and his son winning eight of the first twelve Open Championships to Morris being the first golf professional to design and build a course—Prestwick—this account shares the extraordinary blend of triumph and tragedy that marked this golf icon's life.

In 1956, a casual bet between two millionaires eventually pitted two of the greatest golfers of the era -- Byron Nelson and Ben Hogan -- against top amateurs Harvie Ward and Ken Venturi. The year: 1956. Decades have passed since Eddie Lowery came to fame as the ten-year-old caddie to U.S. Open Champion Francis Ouimet. Now a wealthy car dealer and avid supporter of amateur golf, Lowery has just made a bet with fellow millionaire George Coleman. Lowery claims that two of his employees, amateur golfers Harvie Ward and Ken Venturi, cannot be beaten in a best-ball match, and challenges Coleman to bring any two golfers of his choice to the course at 10 a.m. the next day to settle the issue. Coleman accepts the challenge and shows up with his own power team: Ben Hogan and Byron Nelson, the game's greatest living professionals, with fourteen major championships between them. In Mark Frost's peerless hands, complete with the recollections of all the participants, the story of this immortal foursome and the game they played that day--legendarily known in golf circles as the greatest private match ever played--comes to life with powerful, emotional impact and edge-of-your-seat suspense.

With three Military Crosses, three Croix de guerre, a L é gion d'honneur and a papal knighthood for his heroics during the Second World War, Sir Tommy Macpherson is the most decorated living soldier of the British Army. Yet for 65 years the Highlander's story has remained untold. Few know how, aged 21, he persuaded 23,000 SS soldiers of the feared Das Reich tank column to surrender, or how Tommy almost single-handedly stopped Tito's Yugoslavia annexing the whole of north-east Italy. Twice captured, he escaped both times, marching through hundreds of miles of German-held territory to get home. Still a schoolboy when war broke out, Tommy quickly matured into a legendary commando, and his remarkable story features a dizzyingly diverse cast of characters, including Winston Churchill, Field Marshal Montgomery and Charles de Gaulle.

Few historians have written about walking, despite its obvious centrality to the human condition. Focusing on the period 1800-1914, this book examines the practices and meanings of walking in the context of transformative modernity. It boldly suggests that once historians place walking at the heart of their analyses, exciting new perspectives on themes central to the ' long nineteenth century ' emerge. Walking Histories, 1800-1914 adopts a global perspective, including contributions from specialists in the history and culture of Great Britain, North America, Australia, Russia, East-Central Europe, and South Asia. Critically engaging with recent research, the contributions within offer fresh insights for academic experts, while remaining accessible to student readers. This book will be essential reading for those interested in movement, travel, leisure, urban history, and environmental history.

James Dodson always felt closest to his father while they were on the links. So it seemed only appropriate when his father learned he had two months to live that they would set off on the golf journey of their dreams to play the most famous courses in the world. Final Rounds takes us to the historic courses of Royal Lytham and Royal Birkdale, to the windswept undulations of Carnoustie, where Hogan played peerlessly in '53, and the legendary St. Andrews, whose hallowed course reveals something of the eternal secret of the game's mysterious allure over pros and hackers alike. Throughout their poignant journey, the Dodsons humorously reminisce and reaffirm their love for each other, as the younger Dodson finds out what it means to have his father also be his best friend. Final Rounds is a book never to be forgotten, a book about fathers and sons, long-held secrets, and the lessons a middle-aged man can still learn from his dad about life, love, and family. Final Rounds is a tribute to a very special game and the fathers and sons who make it so.

A compelling, harrowing, but ultimately uplifting story of resilience and self-discovery. "A Two-Spirit Journey" is Ma-Nee Chacaby ' s extraordinary account of her life as an Ojibwa-Cree lesbian. From her early, often harrowing memories of life and abuse in a remote Ojibwa community riven by poverty and alcoholism, Chacaby ' s story is one of enduring and ultimately overcoming the social, economic, and health legacies of colonialism. As a child, Chacaby learned spiritual and cultural traditions from her Cree grandmother and trapping, hunting, and bush survival skills from her Ojibwa stepfather. She also suffered physical and sexual abuse by different adults, and in her teen years became alcoholic herself. At twenty, Chacaby moved to Thunder Bay with her children to escape an abusive marriage. Abuse, compounded by racism, continued, but Chacaby found supports to help herself and others. Over the following decades, she achieved sobriety; trained and worked as an alcoholism counsellor; raised her children and fostered many others; learned to live with visual impairment; and came out as a lesbian. In 2013, Chacaby led the first gay pride parade in Thunder Bay. Ma-Nee Chacaby has emerged from hardship grounded in faith, compassion, humour, and resilience. Her memoir provides unprecedented insights into the challenges still faced by many Indigenous people.
