Codes made it pretty easy to find the color code. On all models, there is an color ID plate on the drivers door jamb. When you locate it, it will have the letters C/TR and then the three digit paint code follows. You can match this color code up with what you find on our site. You may see something like: C/TR 3P1 FA09.

So the color code is 3P1  
and the FA09 has  
nothing to do with the  
color code.
