"Now a major motion picture! Includes full-color movie photos and exclusive content!"--Dust jacket.

Help students improve their mastery of the English language and acquire the keys for understanding thousands of words by studying Greek and Latin word parts (prefixes, root words, and suffixes). This is one of the most complete, usable presentations of vocabulary development using word parts you will find. A knowledge of word parts gives students a head start on decoding words in reading and testing situations. This is the first book in the two-book series. Each of the well-developed lessons in this text includes: one to three word parts along with meanings and sample words, five vocabulary words that use the prefixes or root words, definitions and sample sentences for each of the five words, a practice exercise that lets students apply knowledge of the words and their meanings, and a one-page review worksheet for one or two lessons that presents more unique opportunities to work with the prefixes and root words and to see how they are combined with suffixes. In addition to the student pages, the teacher's information includes: an extensive listing of the most common prefixes, root words, and suffixes; their meanings and sample words; additional words for each lesson; and lesson ideas to supplement the word being studied.

The ultimate guide to improving your vocabulary and all standardized test scores with comprehensive definition reviews and breakdowns, practical language strategies and examples, fifty practice tests and explanations, and much more! Every college-bound student wants the best test scores possible. Fortunately, that just happens to be Dr. Gary Gruber's life's work. For over thirty years, his Gruber Method has taught millions of students to expand their vocabulary and language skills and to improve their scores (for example, increasing SAT scores by as much as 600 points) through adaptive strategies for thinking about test problems as categories, rather than rote memorization of individual answers. Gruber's Word Master for Standardized Tests is the most thorough vocabulary-improvement resource available today. In addition to including more tools and lists than the competition, the guide includes a wide range of useful information to help students hone and sharpen their vocabulary and language skills, such as: The most important words used on all standardized tests Prefixes and roots that denote the same meaning or feeling Commonly confused words The 291 most frequent test words 50 vocabulary tests with answers Prefixes and Roots that decode more than 200,000 words on tests The Gruber Breakthrough Word Strategies The Gruber 2300 Vocabulary Word Review List So read Gruber's Word Master for Standardized Tests, study its lessons, and watch your test scores increase and your future possibilities expand.
