Dark Elves are not for people who expect all their units to have the toughness of Lizardmen or Dwarves, or the hitting power of Chaos Warriors or Ogres. Yes, the Dark Elves have units that hit like a ton of bricks (Hydra most notably) but they are the minority. Dark Elves excel at having cheap infantry with good stats and lightning quick attacks.

The Dark Elves are one of the two sub-races of Elves that inhabit Alfheim, insectoid beings that reside in the dark. They first appeared in God of War (2018). It's unknown which race of Elves came first, and its such lack of knowledge what sparked the conflict between the Dark Elves and their luminous counterparts for the dominion of the Light of Alfheim.
