10 no bs time management tips. Is there such a thing as too many time management tips? We think not. But we all know that we should get up earlier and turn our phones off. We know that Trello can make us more organised and that meal-prepping saves us smashing a Tesco meal deal at our desk because that's all we have time for between jobs.

No BS Time Management for Entrepreneurs - Second Edition Lee Ilococca once said that top CEOs might squeeze in 45 productive minutes a day. A study of Fortune 500 CEOs found they averaged 28 productive minutes in a day. Most of us do a very poor job of managing our time, probably because we haven't learned to value it very much.

Quotes from No B.S. Time Management # 1 I make a lot of money each day just by not commuting. Most entrepreneurs spend at least an hour a day commuting (round trip). If you multiple that by five days a week for 50 weeks a year, that is 250 hours per year of wasted time. By working from home you could save yourself that time and be more productive.
