## Roman Roads in Britain (Shire Archaeology): Davies, Hugh ...

Roman Britain. According to Hugh Davies in Roman Roads in Britain (Shire Archaeology, 2008), the Romans began building a network of roads in Britain "almost as soon as they arrived" (p. 6). What we know about Roman roads are based on modern archaeological evidence and investigation, as there are few surviving documents about the Romans' engineering feats.

The next chapter argues that the Roman road network determined the location of battles throughout Britain's later history. It consists of not much more than a list of brief descriptions of battles and which road in the numbering used by Margary's survey dating from the 1960's and 1970's the battle is supposed to have taken place near.
