The Art Science Of Shepherding

The Art & Science of Shepherding is a long read but the if you are someone who personally values being part of the “emotional bond” and “finite world” of agriculture then this book will be of interest to you. I reference these two attributes of livestock production to some recently quoted comments by protesting French farmers:

The Science of Shepherding takes the reader into the nitty-gritty world of taking care of God's people. It will show you how to improve the skills needed to effectively grow Jesus' church. The word "pastor" is the same concept as one who cares for sheep. Those who provide spiritual nurture to a local congregation are shepherds.

The Science of Shepherding – It's ALL About the Sheep. To be a pastor should be simple. It isn't! The Bible word translated pastor is often translated shepherd in other ancient literature. Several upcoming blog posts will use my concocted term pastor/shepherd. The term will put in our face what pastoral life is about.
