"The Dumb Bunnies' Easter" has always been one of my favorites and now I have given a copy to my great-niece as she starts Kindergarten. She loves to "read" and be read to, and she has a great sense of humor, so I'm sure she will enjoy it as much as I did (and so will her parents!)

Storyline. "The Dumb Bunnies" was an animated series where, as the saying goes, "anything can happen - and it usually does."

The Bunnies did the direct opposite of the normal course of action (e.g. they put on winter coats in the summertime to protect themselves from the sun), and they often didn't use their heads when they first saw something unfamiliar (e.g. the Bunnies thought the revolving door to the local museum was a kind of carnival ride the museum offered as an added attraction).
