He said that the indolence is the effect of the backwardness and troubles of experienced by the country. In the start of his essay he said that the hot climate is a reasonable predisposition for indolence.

The Indolence of the Filipinos Summary - the life and ...

The evil is that the indolence in the Philippines is a magnified indolence, an indolence of the snowball type, if we may be permitted the expression, an evil that increases in direct proportion to the periods of time, and effect of misgovernment and of backwardness, as we have said, and not a cause thereof. Others will hold the contrary opinion, especially those who have a hand in the misgovernment, but we do not care; we have made an assertion and are going to prove it.
