The Sexuality Of Migration Border

The Sexuality of Migration provides an innovative study of the experiences of Mexican men who have same sex with men and who have migrated to the United States. Until recently, immigration scholars have left out the experiences of gays and lesbians. In fact, the topic of sexuality has only recently been addressed in the literature on immigration.

...

The Sexuality of Migration examines the role that sexuality plays in processes of immigration and identity formation from the standpoint of Mexican male immigrants to the United States who have sex with men. Viewing the immigrant experience from the standpoint of the "gay" immigrant raises critical questions regarding sexual identity formation in a transcultural setting and the linkages among human sexuality, state institutions, and global economic processes.

On America's southern border, migrant women and girls are the victims of sexual assaults that most often go unreported, uninvestigated and unprosecuted. Even as women around the world are speaking...

'You Have to Pay With Your Body': The Hidden Nightmare of ...

Abstract. Sexual migration, a concept developed recently in the sexuality studies literature, is defined as international relocation that is motivated, directly or indirectly, by the sexuality of those who migrate. I argue that to conceptualize sexual migration fully, we need to consider a number of dimensions associated with this kind of transnational movement, including sexual immigrants' transportation of practices across international borders, their lives in their places of origin ...

Sexual migration, cross-cultural sexual encounters, and ...

Likewise, the literature on sexuality and migration has challenged heteronormative assumptions underpinning migration theories and conceptualizations, insisting that sexuality is central to the regulation of migration and migrant experiences. This annotated bibliography provides an overview of the study of gender, sexuality, and migration.

a growing consensus among im/migration activists and scholars that migration is “feminized”, such recognition hardly goes beyond surface explanations of and solutions to gender inequality, with most activists and scholars ignoring sexuality and race, and also larger issues of border imperialism and globalization.

gender, race, sexuality, migration

Lionel Cantú Jr. (October 7, 1965 – May 26, 2002), was an assistant professor of sociology at the University of California, Santa Cruz, who focused on queer theory, queer issues, and Latin American immigration. His groundbreaking dissertation, *The Sexuality of Migration: Border Crossings and Mexican Immigrant Men*, which was edited, compiled, and published posthumously, focuses on the experiences of Mexican-queer migrants.

Lionel Cantú - Wikipedia

With the shift to a world of nation states that supposedly controlled their own borders, sexuality retained its importance in creating and naturalizing inequalities, this time through constructs of nation, citizenry, social ordering, and economy – and enforced by expanding state migration controls. These processes variously shaped migration.

Sexuality and Migration - Migration: The COMPAS Anthology

Queer Migrations powerfully unpacks the ways in which state mechanisms police borders and bodies simultaneously and is an invaluable addition to the scholarship on race, sexuality, and migration. Gayatri Gopinath, University of California at Davis

In response to these phenomena, this symposium conceptualizes sexuality as a method of bordering and thinks sexuality beyond identity towards its multifarious entanglements with contemporary border regimes. From sexual panics about migrant sexuality, the pornotropic gaze of surveillance technologies, to media discourses about reproduction and contagion, sexuality can be said to play a key role in how borders are policed and managed.
