### The Stories Of English David

A host of fascinating questions are answered in *The Stories of English*, a groundbreaking history of the language by David Crystal, the world-renowned writer and commentator on English. Many books have been written about English, but they have all focused on a single variety: the educated, printed language called “standard” English.

### The Stories of English: Crystal, David: 9781585677191 ...

David Crystal's book is a succinct history of the English language, including the evolution of the spoken and written word, with a special focus on the large variety of dialects spoken today. Almost everything in the book was new to me, and I enjoyed the details on words from other languages, word variation over time, and the notes on pronunciation, usage, and grammar.
