Here are some of the key turning points: Andrew Jackson almost died in a duel before becoming president. Jackson also was the first president to face an assassination attempt. Richard Lawrence fired two pistols at him and both misfired. If Jackson had died, there might not have been an Indian Removal Act.

Newspaper Rock: Turning points in Trail of Tears

U.S. soldiers and state militia troops rounded up thousands of Creek men, women and children, herding them into concentration camps. Then, in large parties and with little more than the clothes on their backs, they were driven west on the Trail of Tears. The Creek Trail of Tears included travel by both land and water. Its easternmost point

The story of the actual Trail of Tears is pretty simple. Beginning in the 1830s, the Cherokee people were forced from their land by the U.S. government and forced to walk nearly 1,000 miles to a new home in a place they had never seen before. Thousands of people died on the harsh and totally unnecessary journey.

The untold truth of the Trail of Tears - Grunge

The Trail of Tears was from about 1832-1838 and they walked approximately 1,000 miles. The Native Americans were treated awfully and deserved better than what they got. The Trail of Tears was a turning point because the Native Americans were forced to move and it changed life for them dramatically.
