Wealth disparity and the racial wealth gap in America are dramatic. The median wealth for a Black family, \$17,600 (inclusive of home equity), is only about one-tenth of the \$171,000 median wealth for a White family. What's more, the mean or average wealth of a White family, \$933,700, is nearly seven times that of Black family wealth at \$138,200.

Truth and Redistribution

The presidencies and power of Jefferson, Madison, and Monroe depended on the extra political power of slave owners. This rigged advantage continued to give the slave-owners of the 19th Century an ...

For Sen. Cory Booker (D-N.J.) our economic plight is a political issue. With us living in a time where "it is harder to build wealth in this generation [than] in the past" Booker, during an interview with The Root Institute, added that we have to put pressure on our government and politicians to implement laws and initiatives to reduce racial wealth disparities.
