In Windows 7, you can download languages in two ways: Using Windows Update. If you're running an Ultimate or Enterprise edition of Windows, you can download available language packs by using Windows Updates. Language packs installed using Windows Update provide a fully translated version of Windows dialog boxes, menu items, and help content.

Language Packs - Windows Help

Tech support scams are an industry-wide issue where scammers trick you into paying for unnecessary technical support services. You can help protect yourself from scammers by verifying that the contact is a Microsoft Agent or Microsoft Employee and that the phone number is an official Microsoft global customer service number.
