### Word Problems Grade 3 Kumon

Grade 3 Word Problems. 0 Ratings. This workbook helps your child build a strong foundation in word problems with multiplication and division. Children will progress gradually through our activities, to confidently choose which operations to use to solve word problems. Then, by mastering graphs and tables, your child will advance to more difficult word problems with ease.

### Grade 3 Word Problems | Kumon Publishing

Unfortunately the Kumon word problems series is very poorly designed. For every page, the first problem is good but it has an example solution. The rest of the problems have almost exactly the same pattern (with different numbers), thus kids do not even need to read the question carefully, but just follow the pattern and fill in different numbers.
